Bursary - Student Guidelines (January 1, 2025)

- Bursary will be for post-secondary education only.
- Student must be entering a recognized trades program.
- All courses must offer an achievement certificate, diploma or degree. Courses must be started within 18 months.
- Correspondence courses DO NOT qualify for funds.
- Location of study will be in Canada only.
- Application deadline is April 30.
- A letter of intent must be included with application for bursary (including trades program & institution to which application has been made).
- Funds WILL NOT be dispersed directly to the recipient.
- Funds will be dispersed to the recipient's secondary school's bursary committee or applicable school district board office for transfer to the student's school account at the recognized institution upon proof of enrollment at such institution.
- This is a one (1) time award. The amount of the award is at the discretion of the committee.
- The current maximum dollar value for the 2024/2025 school year will be \$2000 (one award of \$1000 in each of School Districts #22 and #83).
