October

From your **Home** page

- Click **Goals** and **ADD GOAL**. Add two (2) goals minimum. One short term (0-3 month), one long term (6-12 months). The category is your choice, add your action plan (two steps). Be sure that this is meaningful to you, what would you like to accomplish before graduation?

November

Time to start thinking about your Capstone Presentation! Capstone presentations are in the Spring. You will be responsible for a presentation about yourself. You will develop a presentation about yourself and your future plans as it pertains to your interests, learning, identity, community. In your presentation/poster you will share who you are: learning style and interests. You will identify and detail your plans after graduation (going to school: includes the PSI, program, costs, budget, scholarship resume or working: includes job, wage projection, budget and resume or Gap year: plans, costs, budget). And finally, also include how you have been involved in your school and community. This poster can also be used for Scholarship. There is a sample in the Career Centre to assist you. If you are graduating early or attending a dual credit program, please be sure this is completed before you leave. Your myBlueprint monthly assignments all need to be completed in order to be eligible to present your Capstone.
