

Brian W. Johnson Memorial – Sponsored Education Program

APPLICATION INFORMATION

Thank you for your interest in the **Brian W. Johnson Memorial – Sponsored Education Program** offered by Gentech Engineering Inc. This sponsored education program is intended to financially support a student pursuing post-secondary education in an engineering technology program who has demonstrated strong academic performance, a genuine interest in the civil engineering field, and a desire to pursue a career as a Civil Engineering Technologist.

This sponsored education program is open to graduating students from all high schools within Salmon Arm, Sicamous, and Enderby, including:

- Salmon Arm Secondary School (Sullivan Campus)
- J.L. Jackson Secondary School
- King's Christian School
- Eagle River Secondary School
- A.L. Fortune Secondary School

To qualify for the **Brian W. Johnson Memorial – Sponsored Education Program**, the applicant must be accepted into and registered in one of the following engineering technology programs:

- Civil Engineering Technology Diploma (Okanagan College, Kelowna Campus)
- Architectural and Engineering Technology Diploma (Thompson Rivers University)

The total value of the **Brian W. Johnson Memorial – Sponsored Education Program** shall be up to **\$20,000 CAD** for reimbursement of tuition, mandatory institutional fees, and related educational expenses. This sponsored education program involves a Return-of-Service Commitment in which the student agrees to be employed at Gentech Engineering Inc. for their summer/co-op terms and for a minimum of two (2) years following graduation of the engineering technology program.

Completed applications are to be submitted to Gentech Engineering Inc. no later than **May 30th**.

All completed applications will be reviewed by Gentech Engineering Inc. Qualified applicants will be contacted and invited to participate in an in-person interview as part of the selection process.

Following interviews and final review, Gentech Engineering Inc. will inform all qualified applicants of the outcome of their application.

Gentech Engineering Inc. reserves the right not to award the sponsored education program in any given year, as outlined elsewhere in this application.
